“ Nancy, may you always walk in sunshine and God's love around you flow, for the happiness you gave us, no one will ever know.
It broke our hearts to lose you, but you did not go alone, a part of us went with you the day God called you home.
A million times we needed you, a million times we've cried. If love could only have saved you, you never would have died.

The Lord be with you and may you rest in peace!!!

“ Well my memories of meeting Nancy were of her wedding.. At the reception my Dad gave her a money for a gift and She took it and tucked it away in her cleavage! As a young girl my eyes were popping! haha She was always kind and thoughtful and I was so grateful that she Grant and kids traveled to Tomahawk during a Blizzard to attend my Dad's funeral! It was just wonderful and I will never forget that. Both Nancy and Grant said that they would never have missed it. All my siblings felt the same about the positive person that she was and send their deepest sympathies.Heart Having experienced trememndous loss I know that she is always with you..and I have to think that she is laughing right now!! Hugs Of love from Norman and Maxine Langlois Children

“ I just learned that Nancy had passed and I am so sorry Grant and family for your loss. I think most of you know how fond I was of her. I will always be grateful that Grant Nancy and family made the trek through a blizzard to attend my Pop's (Norm Langlois) funeral. Nancy was very kind and always had her own unique personality she brought to the world. To share a couple memories, her wedding when I was just a mere young girl and meeting her for the first time, she stuffed a wad of cash into her bra in front of me. ha I also remember her coming into church in a Black and white Hounds tooth coat, a stocking cap, red knee socks and her signature black high heels.! She was certainly colorful, kind, loved her family and I will miss her. love to Cousin Grant and family
