“ to family & friends of Connie--s shocked & saddened to hear of Connie's Covid battle! The world lost a bright, beautiful soul! I met her through my sewing business. I had done some work for her and I had known Rosemary through a job i had. Little did I know she was 7 yrs older than me! She seemed so young at heart and will be a wonderful citizen of Heaven! May God comfort the many people down here that will miss you! Your parents were friends of My parents & I remember your dad when he worked at the Do It center! You had great roots. from Chris (Augustine) Allen

“ Let me express my deepest condolences to Connie Marie's Sons, Sisters and friends. As one of the cousins from Ann Arbor I remember the many vacations we took to the UP and the fun we had at the Marion Park cabins, Lake Antoine, and Uncle Connie & Auny Cece's House. Karen and I were the twin cousins and probably seemed like "pipsqueeks" to Connie Marie who was the oldest of our cousin gang. I remember her as "so beautiful and sophisticated ". I adored the UPper accent and would try, with my brother and sisters, to prod you all to say: Crumps, Geez yoouse guys!! I can even now see her smile and hear her expression. Those were such fun trips.

Though I had never been able to get back up to the UP once I married and moved even further away, I kept up with news through Jim and Marcia Mellen. I have some contact with Rosemary through Facebook.

Again, my thoughts and prayers are with you and will be praying that God blesses you with precious memories and sustainable comfort at this time.
