

Dale Frei

October 30, 1934 - March 29, 2020

M. Dale Frei, 85, of Breitung Township passed away peacefully on Sunday, March 29, 2020 at his home surrounded by his family as was his wish.

Dale was born October 30, 1934 in Fairwater, Wisconsin, son of the late Melvin and Margaret (Kobeal) Frei. He graduated from Markesan High School in 1953 and attended the University of Oshkosh for one year before enlisting in the United States Marine Corps. After serving his country, Dale returned home and married the late Marjorie (Michaels) Frei on June 28, 1958. They shared 57 years of devoted marriage together while raising five girls in Kingsford where they entertained the neighborhood kids in the pool that Dale dug with his own hands. Later in their marriage, Dale visited his wife every day in the nursing home for the many years she spent there until her passing in 2015.

Dale was a manager at Prudential Insurance Company for 30 years where he received numerous awards before retiring in 1990. He also received many awards for his dedication to improving the community and he served on several boards including the original Community Service Center, Police and Firefighter Pension (44 years), Trico (45 years), Armory Advisory Board, and was past chairman of the Community Schools Board. Dale was a member of St. Mary's Orthodox Church where he also served on the board for many years.

Dale loved his family and was an excellent father, grandfather, great-grandfather and was a pillar of strength to all of them. Every year he planted a huge pumpkin patch and put up a sign on the fence of the patch with all of his great-grandchildren's names on it so they could see it when they came up every fall to pick pumpkins and bake with their Great Grandpa Frei. Dale loved breakfast at Maple Creek, hunting, fishing, the Packers, and gardening. His flower and vegetable gardens were second to none and were the first stop when you came to visit before he took you on a pontoon ride down the Menominee River. Dale loved to build and develop property in the local area and was proud to put his own stamp of approval on them by naming the roads Dalmar Drive (Dale & Marge) Drive and Frei Drive. He was always good for a joke or two and his sense of humor will be missed by

all who knew him.

He is survived by five daughters, Debbie (Scott) Lindholm of Lake Orion, MI, Tammy (Bill) VanVreede of Traverse City, MI, Tina (Terry) Rice of Breitung Township, Becky (Mike) Messer of Green Bay, WI, and Patti (Joe) Bronzyk of Breitung Township; one sister, Lori (Dee) Evans of Berlin, WI; grandchildren, Nicole (Brook) Mead, Jamie (Rob) Johnson, Jessica (Dave) Marsh, Michael (Jahaila) VanVreede, Dr. Tony (Tiffany) VanVreede, Billy (Briana) VanVreede, Katelyn (Nick) Shaffran, Dexter (Melissa) Ali, Bob Rice, Jim Rice, Kyle (Casey) Messer, Maria (Zach) Zimmerman, Thomas Whaley, Paige Whaley (Bryce Babiash), Alexa Bronzyk and Dane Bronzyk; great-grandchildren, Lleyton and Colette Mead, Charlee Johnson, Isla VanVreede, Nicholas, Ethan, Brendan VanVreede, Zoe and Skye VanVreede, Avery and Brantley Marsh and Zarina Ali; and several nieces and nephews.

In addition to his family members, he leaves behind his close friend and hunting and fishing partner, Russ Pietschmann.

Along with his wife, father and mother, Dale was preceded in death by his sisters, Lynn Kohl and Sally Vickroy, brother, Phillip Frei and grandson, Ryan Rice.

In accordance with current state & federal guidelines, a public visitation and service will be held at a later date and will be announced prior to that time. Burial will take place at the Quinnesec Cemetery.

In lieu of flowers, memorials may be made to Trico.

Condolences may be expressed to the family of Dale Frei online at www.enashfuneralhomes.com

The family has entrusted the Erickson-Rochon & Nash Funeral Home of Iron Mountain with the arrangements.

“ Sincere condolences from the Blankenstein family. I have many memories of hunting with Dale and seeing him on the Menominee River in his pontoon boat. Both he and Marge were kind and loving people who were good examples for all of us.

“ Kim and I send our condolences to all of the Frei girls and your families. It's unfortunate that it takes times like this for us to reconnect and reflect on our times together. I can't wipe the smile off my face as I recall the times on the tennis court, tractor rides and, of course, the gatherings in your parent's back yard/pool. That Heights neighborhood was a special place to grow up. It wasn't until later in my life when I could realize how much your father was the central figure in that. I thank you all for the part he (and your mother) played in my life. Know that the flag was up when he arrived to heaven.

“ I send my very sincere condolence to you for the passing of Dale Your Father, Grandfather, Great Grandfather, and friend. It was an honor and a privilege to know him.

With God's Blessing I'm praying that you will comfort one another and carry on as you know that is what he would want.

I didn't know Dale until I became associated with the Frei family because my son was dating his daughter. By that time we lived in different cities but our personal contact accelerated when we made common trips to visit Bill and Tammy in and around Traverse City.

The one visit that was most impressive was to Michael's wedding at the top of the peninsula. Everyone attending the wedding met at the base of the hill to ascend to the top by cable car.

Dale and I were sent up before the attendees and were seated together where we could visit and observe as the large group of attendees came up by cable car and were seated. At this time we got to know each other very well as we discussed our lifetime history.

After the long length of time, Dale and I were seated in the right rows with our respective families. Michael, Jahaila and the wedding party then went to the very tip of the peninsula to exchange their wedding vows.

Then we all descended and went to a reserved building to celebrate.

What a beautiful day!!!!!!

God Bless you - you will meet your father again in heaven.

“ Dear Frei Family,

Speaking for all the Belongie's, we just want to say how sorry we are about your dad's passing. He was such a good friend to our dad, and our thoughts and prayers are with you during this difficult time. When I visited with him during my dads viewing, he reminded me of the "great tennis matchup" back in the day! Remember that Tammy?

He had me laughing, and he brought up some very fond memories. Take care and God Bless!

Dear Frei Family

With a heavy heart I send my very sincere conolence to you for the passing of Dale. Your Father, Grandfather, Great Grandfathe, and friend. It was an honor and a priviledge to know him and work with him through his 40+ years with TRICO. Dale's support meant so much to me personally and professionally; and I was blessed to have him in my life. Dale's leadership and involement with TRICO was instrumental for the growth of the agency from the small beginning in the Brown Street Church to what it became today. As Chairman of the Board of Directors for many years he was not only an unwavering stable guiding TRICO; but he was involved in the day to day operation of the agency. All personnel knew Dale and felt comfortable to express concerns, ideas or just visit with him. His creation of an annual Board/Staff outing at his home with a pontoon ride, tour of his garden & bueatiful flowers, and an awesome barbeque courtesy of Tina & Terry forming a bonding of the TRICO family. As anyone who knew Dale, if he believed in something, he would immerse himself in it 200%. There was no accolades, awards, or personal gains for Dale he was dedicated, concerned and caring and his only reward was providing the best programs and services to those TRICO served. I have so many wonderful memories of Dale and he will truely be missed, including his jokes with some slightly "of color" Say Hi to Marg for me Dale

“ I first met Uncle Dale in 1955, that's the year I was born. My mom was so fond of him that she blest my middle name after him. Although we didn't live close to him and his family I looked forward to seeing them whenever we could. He was probably the most constant man in my life! He was always interested in me and was an encouragement. As the years moved along and I married and had children of my own he always would ask how they were. He never missed a holiday call and never ended the call without telling me a joke. The love that he showed his family was second to none. He was always attending birthday's, graduations, weddings and was the rock of the family. When his mom and my mom were sick he would call everyday without fail and let them know that they were loved. He was the best man that I had ever known and he will be missed but his memory will live on until we meet again. Debbie, Tammy, Tina, Becky and Patty and your families are as close as any family that I know. I'm praying that you will comfort one another and carry on as you know that is what he would want.

Love ya all,
Todd

Todd Wendt - March 31, 2020 at 03:06 PM

“ Thanks so much Todd. You were one of the last people he talked to before he died.

Tammy VanVreede - March 31, 2020 at 05:08 PM

“ Hi Frei Girls,

Your Dad was one of a kind and a huge influence on us as the developer of the subdivision that he formed into a great neighborhood. We lived on Frei Drive longer than anywhere we have lived and cherish our time there. We could always count on Dale to "keep an eye on things" share his garden produce, keep the snow plowed, and be the best kind of neighbor one could have. He was proud of his garden, but his finest crop was his daughters. Our prayers and deep sympathy to your family.

“ Dear Frei daughters and families. Am saddened to learn of the loss of another friend from our old Heights neighborhood. I have so many fond recollections of our families growing up together, the pools, the work bees, the tractor rides, the get-togethers/parties and so much more Dale and Marge were always such an integral part of all of these activities.

I send my sincere condolences to all of you and wish that you find some solace in sharing all of the many great family memories that you each have.

You are in my thoughts.

“ I met Dale and Marge Frei in 1980, after relocating to Iron Mountain from Marquette, MI. I was hired by The Prudential and worked under Dale's supervision. He was very knowledgeable of Prudential's products and systems. He was the ultimate salesman! I admired how he managed his personal life with a loving wife and five daughters, in addition to the agency force that he was in charge of in Iron Mountain. Dale had a cool demeanor and was slow to anger, which was a benefit to all who knew him. I will always remember the pool parties and "float boat" trips. These made us better friends. Thank you, Dale and family, for including me and my wife, Debbie, in your lives. Jeff Couper.

“ Sad to hear Dale passed. I had the honor of serving on the Trico board with Dale. I found Dale to be a committed and dedicated person when it came to the affairs of Trico where he served as board chairman for many years. I will remember his great smile and commitment to serve those less fortunate. Neil Dill

“ I met Dale Frei in 1987, as I was reviewing my insurance policy with Prudential Insurance in Escanaba, MI. He was very kind and understanding with me. Years later, when I moved to Iron Mountain in 1994, I met my husband, Jeff Couper, who was an agent with Prudential. Dale and I were then re-acquainted. We would see each other on an occasional basis, as I delivered newspapers locally. He always had a great anecdote or joke to share. I remember a hot sunny day when Jeff and I were "tubing" near Dale's home and we became stranded. Dale smiled, offered us a cocktail, and came to our rescue. I will always remember Dale for being kind and for his sense of humor. Thank you for the memories, Dale. Rest in Peace, my friend.
