“ Donna;
We were shocked and very sad when Jeff told us about Elmer Saturday morning. We had hoped that he was out of the woods after all his time in the hospital here. I've known Elmer for 60 years, since I used to run around with his brother Bill. We sure had fun diving out at Spread Eagle with you guys.

Our thoughts and prayers are with all of you. We will always hold fond memories of our time together, and will never forget Elmer.

God Bless You

“ So many memories from the last 12 years! I guess the greatest one is that you guys were our first ever customers when we moved to the UP and bought the campground. Our friendship started there and continued on with many great dinners, games of pool, stopping by for coffee and little adventures like kayaking and our one attempt at x-country skiing! We will always remember Elmer's stories about boating and that one time you stayed at our campground in your boat all summer! He was a special friend to us and we will always cherish the memories!

I am so sorry for your loss,
Elmer was such a wonderful man. He always had a smile, and a kind word, for everyone. I was privileged to know him, and call him my friend.
