“ Dave, Lori and family,
We have many happy memories of Jerry sitting in his backyard surrounded by family and friends enjoying delicious food and listening to fishing stories. Brian says, "he is the only guy I know who caught a 19" bookie out of the Ford River". We would spend the evening admiring his beautiful garden and watching the 4th of July fireworks. We will always remember his easy going grin and his kind, generous spirit.
Love,
Dan, Christine, Charley, Brian and Amanda VanHusan

“ I'll alwsys remember what a hard worker your dad was & how much he enjoyed fishing & hunting. More importantly, I'll always remember how much he loved all of you. He was a wonderful man & will be missed. I'm so sorry I can't make the funeral but we are in the middle of building our house & doing a lot of the work ourselves, we have an inspection next Wednesday & need to complete piping & venting before then. All my love to all of you!!

“ Dear Terry and family,
I was saddened to learn of Jerry's death. Although I only met him a few times, his natural good nature and outgoing friendship was ever present and a joy to be with him! His presence will indeed be missed in all of our tomorrows. GOD BLESSINGS and prayers that he is safely home with our Lord. Gentle hugs to Terry and family from Gene Cudnohufsky.
