

Isabella Mae Burrows

December 10, 2001 - June 22, 2018

Isabella Mae Burrows (aka Izzy/Bell/Bella)

Isabella Mae Burrows, 16, of Fence, WI, passed away unexpectedly in an automobile accident on her way to work Friday morning, June 22, 2018, with her best friend, Paige.

She was born December 10, 2001, in Green Bay, Wisconsin, daughter of Jonathan and Linda (Gromoske) Burrows. She attended Oconto schools and lived in Florida for a year attending Oviedo Chiles Middle School before moving to Fence, where she attended Florence High School and just completed 10th grade. She loved competing in cross country, track and field, and basketball. She won the MVP award for cross country while attending Oviedo Middle School in Florida, as well as the rising star award in track & field while attending Oconto High School. She worked at Svecia Club on the Chain of Lakes in Spread Eagle and Richards Supper Club in Dunbar.

She was a fighter since birth, born prematurely at 2 lbs. 5.5 oz, Isabella surpassed all those challenges and became the most amazing, sweet, helpful, loving young woman that touched all the lives of those around her and left them with a huge imprint of her heart. She always had a hug waiting for those she visited. Isabella was a small town country girl who loved life, loud country music, concerts, cowgirl boots, 4-wheeling/mudding, campfires, driving around on back roads, fishing, swimming, traveling, running 5k/10k races, spending time with friends and family, playing cards, playing with her dogs, and climbing trees (she was always looking for that next big tree to climb).

She will be missed tremendously by her parents, Jonathan and Linda Burrows; two brothers, Bryce & Logan; one sister, Alyson; Paternal grandparents, Steve and Julie Bartels of Green Bay, WI, and Maternal grandparents, Roy and Sandy Noack of Oconto, WI, Paternal great-grandparents, Edward Wagner and John and Yvonne Burrows; and many aunts, uncles, and cousins.

Isabella was preceded in death by her Paternal great-grandparents, William and Patricia Bartels, Shirley Wagner, Shirley Burrows; and Maternal grandfather, Theodore Gromoske;

and Maternal great- grandparents, Joseph and Kazmiera Gromoske, Jack and Dorthy Price

“ There isn't anything I can say to alleviate your grief. I am so sorry for your loss. I only got to know Izzy during this past track season. She got to be one of my favorite kids on the team, because she worked hard, had a great attitude, and never made excuses. She pushed herself harder than anyone else on our team. She achieved success because of her drive, not because of pure raw talent. She earned my respect, which I can't say about many of those I coach. I will miss her tremendously.

“ John, thank you. It feels good to know that you seen our daughter the exact same way we did. She was always so excited about track events and those damn hurdles, we even tried to convince her not to do hurdles, but she did them anyway. She loved life. She was always easy going. She was such an amazing daughter. The pain of losing her is unbearable.

“ When i think of Belle, I remember a girl smart, mature and responsible beyond her age. I remember Belle helping and supporting her mom throughout challenges. I remember her enjoying running and biking with her mom countless times. I see Belle as the picture of the perfect daughter: smart, funny, beautiful, understanding, thoughtful, forgiving, creative, adventurous. So talented in so many aspects. Ariana and I will dearly miss Belle, although we haven't fully grasped the reality of the news.

“ I worked with Izzy at Richards. She always came In With a smile and ready to work. I always enjoyed listening to her talk about school, track, prom, what she made in shop class or any other adventures that she had been a part of I will miss her tremendously. Anytime we needed her when someone needed off or didn't show, she always said, be right there. Heaven gained a beautiful angel. Keep that spirit looking down on us Izzy, you will be missed.

“ To all of Izzy's family-- please know that all of us at Oconto High School are sending you our sincerest condolences. We were so shocked and saddened to hear the news of Izzy's passing. She was still friends with many students and teammates from her days here at OHS and although Izzy was no longer a student here, she will be deeply missed by so many of us. Izzy leaves us with the lasting impression of her beautiful personality--her kindness, her willingness to help others, her positive attitude, being a great athlete and teammate, and her fun sense of humor. We are keeping you all in our thoughts and prayers. ~Lisa Allen, School Counselor

“ What I loved most about Izzy, was that I could be myself around her. That I could act like the biggest idiot around her, and she wouldn't mind at all. That's the best kind of friend. I'll always remember the times in gym class, us playing basketball and trying to do trick shots, and just acting like total idiots while having fun at the same time. She was one of my best friends. One of the few people I could always talk to. Wheather I needed a shoulder to cry on, or just needed to rant to someone. She will forever, and always be, one of the best friends, anyone could ever ask for. I love you, Izzy. And I'll see you again someday.
