“ So saddened by the news of the loss of my friend and classmate. We hung together for many years and created great memories that will ease the sense of loss in my heart. Growing up in Kingsford wouldn't have been the same without you, Buddy. I'm sorry I did not get to see you before you left this world...but I look forward to when we see each other again. Wonderful man, good friend, kind and compassionate. Thanks for the smiles... You are forever endeared to my heart and soul...

“ To my shining friend you will shine on forever in my heart I loved you Buns. You were always kind and compassionate, and took me in when I had no place to live. It was my intention to come and see you, but complications kept me from coming. I miss your infectious smile and kind heart! We have known each other all our young life's. Tampa is a long way from Iron Mountain. I left there in 1978 and it was probably the last time I saw you. To all family members and friends my sincere condolences. Peace be with you at this hard time and smile each time you think of him or hear his name. I have many pictures if you would like to see them, drop me a email or check out face book Victoria Hurley.
