“ Dear Carol, Dan and family,  
We were so very sorry to hear of the tragic loss of your son, Jon. He sounded like a remarkable young man, both from the article and with what Josh had shared with me in Oregon earlier this summer. The two of you certainly were a huge influence on his life of service to others and making the world a better place for all. At this time of thanksgiving, we are reminded of his giving spirit. May memories you cherish of your sweet son/brother bring a smile to your face, warm your heart and bring you peace. With our love and deepest sympathy,  
your friends,

“ Dear Meyoom and family,

Mia - your family's experience with working abroad was what inspired me to do the Peace Corps. The whole Peace Corps community is mourning for the loss of Jon. The whole Zeta community and all of your Lee friends are also mourning and are here in prayer with you - this is such a tragedy. I pray that you can find comfort during this time and that as the days and months come that the Lord continues to bring you

comfort. May it be in earth as it is in heaven.

So much love, prayers, and heartbreak,

“ Dan and Carol we are so sorry for your loss. No one should ever have to lose a child. That being said you both must be very proud of the fine person that Jon obviously became and what he contributed in his all too brief time on earth. Jon and your family are in our prayers.

“ My deepest sympathy to Jonathons family and all who knew and loved him. My son is in Togo and met Jonathon in Washington DC on day one. They trained up and were assigned to neighboring villages. I have been following their adventure via Instagram and Facebook. I had hoped to meet him one day. My son, Tyler, sends his sympathy. He will be sorely missed by all. Todd Stewart McKinney, Texas

“ My name is Nick Burrows, Counselor and Dad of Tony Burrows John's loyal friend from Pine Bluff ,Wisconsin.Tony and John were best buddies from U W Milwaukee days.John was such a special person ,so far ahead of his time for his age and what a young humanitarian.He cared about others ,had such a loving presence about him and funny as can be.He won a bet from me playing "Pick up Sticks" in our yard after a storm when he was visiting our home.I promised a meal @ "The Jade Garden",my favorite Chinese place to celebrate his victory.He would always remind me of it in a very funny way.John had such a positive impact on all of his friends and the world he lived in.His legacy will influence all that he met on how to treat others .Kind ,gentle,great sense of humor.Kudos to his parents and siblings for raising such a positive role model for the world...God Bless you all.....Nick Burrows Pine Bluff ,Wisconsin
