“ Karen,

I hate goodbyes as you know, I wish we met sooner but made the best of it. You are truly an amazing lady and dearest "cousin" as I was referred to, but I think everyone that you knew were family. You taught me alot in our time. I knew you were so proud of Tori. She is one heck of an amazing girl just like you said. Lucky and I will miss you and we love you so very much. You are pain free. You fought a good fight and now you can rest. Thank you for teaching me self worth. You are neck of of an amazing lady and you wonder where she got it, ha!

Tori, Sally, and family, please know if there is anything you need I'm a phone call away. My prayers thoughts and my love are with you all. She is amazing and Lucky and I will miss her alot but she will forever live in hearts of everyone she loved dearly and left behind.

Lucky and I love you and miss you Karen. I will keep my promise to you.
