“ Robyn, I'm so sorry to hear of Keith's passing. I'll always remember his smile and his ready wit and his adventures with Rudy. I'm sure the 2 of them are up to shenanigans creating havoc in Heaven and loving every minute of it. You are in my thoughts and prayers. Love you bunches! Annita (Starshine)

“ So very sorry to hear of Keith's passing; he left us way too soon. He always had a smile, a joke, or a funny story to share, and acts of kindness and generosity were simply his nature. I'll always remember his love and enthusiasm for his family and friends, his music, his guitars, and little things like taking a day off to drive up the highway looking for morels in the spring. I don't think he found many, but he never gave up! He was a man who truly embraced and enjoyed life. My deepest condolences to Robyn and the rest of Keith's family.

“ I am in shock and in disbelief. To you Robyn we love you and are truly saddened by his passing. I feel like we were just talking at the graduation at Bimbo's. The memories of Keith chasing Bentley and bringing him in the house or Bentley hanging out with Rudy keeps playing in my head! Keeping you in our thoughts and prayers love you always your neighbors!
