

Kevin J. Ray

July 18, 1961 - March 15, 2019

Kevin J. Ray of Kingsford passed away Friday, March 15, 2019 at Freeman Nursing & Rehabilitation Community.

He was born July 18, 1961, son of the late Joseph and Ethel (Paquin) Ray. Kevin lived in the area most of his life and graduated from Kingsford High School in 1980. Shortly after high school he became manager of the body shop at Ford Motor Company.

Kevin married Carolyn Stevenson in 1982. Most Summer months you would find them surrounded by family at Way Dam, on the pontoon boat and playing horseshoes. Kevin spent the majority of his time in the garage, working on vehicles and listening to music; two things he was passionate about. He went to hunting camp every deer season until his more recent years where he preferred feeding the deer by hand in his backyard. Kevin enjoyed riding motorcycles and loved dogs. So much so that he took his dog, Milo, in the side-care of his Harley, everywhere he went. Kevin loved spending time with his children and grandchildren. He placed great value in family and being a source of solace for his children. He was never one to judge and had a lot of compassion. Some other hobbies and interests of his were boating, snowmobiling, four-wheeling, camping, campfires, history, government, Detroit Lions football, and collecting and fixing a variety of things. Kevin was preceded in death by both of his parents, and all three of his brothers, Rodney, Jeffrey and Allen.

Left to cherish his memory are his children, Stephanie, John, Teresa, and Christine; their mother, Carolyn Ray; grandchildren, Mya Burns, Jett Ray, Jayden Kelly, Charlie Ray, and Aniyah Vaughn; canine companion, Milo; many nieces, nephews and cousins, especially Kerry Paquin.

“ I was a friend of Kevin’s brother, Rodney, since we were about 12 years old.. We had our Kingsford Middle School carnival in the gym one Saturday afternoon. Rodney was operating one of the booths at the carnival, but for some reason, much to his dismay, he had to bring 5 year old Kevin with him. This was the first time I met Kevin. He was adorable, with those big brown eyes taking in all the excitement. Needless to say, Kevin was the “main attraction” at the Jr. High carnival that year. He will be missed.....
