“ Dear Ron and family, Kyle was a wonderful and very special friend and neighbor. I'll always remember her smile and the twinkle in her eyes when she was excited to share a new discovery of one sort or another. She was always thinking of ways she could make things better for those she loved. Heaven's gain is our loss. I know she's happy and whole again, rejoicing with her Lord Jesus and greeting all her new neighbors.

“ Ron,
Michael and Bonnie met you and Kyle on our first visit a few years ago to meet Greg and Liz Evensen. I remember telling Kyle I would always remember her name as it is the same as our nephew, We shared some wonderful table talk and meals and are praying for you and your family in this difficult time.
All our best

“ Dear Ron, children, grandchildren and family, Kyle was a dear and precious friend. She was always thinking of others and how she could help to make their lives better. When my husband Greg was having many medical difficulties she was always there to offer help and loving assistance until his death. I loved her laugh, the mischievous twinkle in her eyes and feisty spirit. I know she's walking the streets of gold in heaven with her Savior Jesus. Our entire neighborhood will deeply feel her loss. She was a very faithful friend and wonderful neighbor. I'll miss seeing her smiling face. Liz Evensen.

May the Lord bless you and give you all peace at this difficult time.
