“ Sorry to hear of Lloyds' passing. Back in the early 70's, Lloyd and his late brother Fred gave me my first job washing cars at the car lot after school. I also enjoyed watching him pitch softball games. He was like a big brother to me, and will be missed! May God bless his family!

“ My deepest sympathies to Lloyd's family. May he rest in peace. I knew Lloyd since I was just a kid. I first came across him at the East Side Skating rink. A few years later Lloyd was my football coach at East Elementary. We won the championship two years in a row under Lloyd's leadership. In sixth grade when we won our second title, I remember the team grabbed Lloyd and carried him off the field on our shoulders. Lloyd was a great coach for us. Many fond memories of my time at East Elementary and being on Lloyd's team. Again, my condolences and wish Lloyd's family comfort in this time of grief.
