“ I feel I was one of the lucky people to meet Bob . What a great guy to sit down and talk with . I had the opportunity to meet Bob when I was doing odd jobs for Mary Lynn . He walked over one day while I was working and asked if I could help him out too . I gladly said yes . one of the better choices I made in my life . After each job I did for him he would invite me in to chat which I do believe made his day also . and he always had Betty making sure there was a drink and snack to be had . I sure he will be missed by his family and friends and that smile and laugh he had . Only had the chance to meet Joan but amd sure all his family were brought up good
