“ I was very saddened to hear about Terri. She held a special place in my heart and will continue to do so. We had many good times and laughs while working at K-Mart. I was happy I could take her to the last K-Mart retiree luncheon. Everyone was happy to see her. She made me a beautiful wreath several years ago and it hangs in my living room. I send my deepest sympathy to Terri's family. She will be greatly missed.

“ I have always felt a special connection to Terry. I worked closely with her and Jess as their Prudential agent and easily became " one of the family." Terri asked me to speak in Jess's honor at his funeral. It was very easy to keep her as a friend throughout the years. As luck would turn out, Terry and Jerry Wickman were introduced as a couple by Nina Strand, who also introduced me to my wife, Debra. Terry affectionately spoke of her Irish heritage and always had a sweet smile and twinkle in her eye. Whenever we met in public, she eagerly offered huge hugs!

Danny and Paula, please keep us informed, as I would like to share in her memorial.

Love and sympathy to Terry's family and to Jerry's loving daughters,

Jeff and Debra Couper

“ Terry had such grace and humor and a faith in God. She is a real angel now. Please know that my mom is deeply saddened by her special friend's passing (they shared same birthdate). And she prayed especially hard as we all did during the last weeks. We will definitely be toasting Terry on June 22nd. God Bless.
