

## Terrance K. Lindholm

January 31, 1941 - May 6, 2020

Terrance K. "Terry" Lindholm, also known as The Jolly Green Giant or Mr. Green Jeans, 79, of Kingsford, passed away Wednesday, May 6, 2020, at the Oscar G. Johnson VA Medical Center in Iron Mountain.

Terry was born January 31, 1941, in Norway, MI, son of the late John and Ada (Hammill) Lindholm. As an 8 year old child, Terry took the opportunity to show off the survival skills taught to him by his father by surviving a night in the woods alone, even making himself a bed of leaves to keep warm. He graduated from Iron Mountain High School in 1959 and enlisted in the United States Marine Corps where he served four years as a small weapons mechanic. On July 18, 1970, he married Constance "Koni" Chiochios in Watersmeet. Terry, a conservation officer, worked out of the Baraga DNR office. During his 25 year career, one of his highlights was being an integral part of the 1985 Moose/Wild Turkey exchange with Canada. At the time of his retirement in 1993, Terry was one of the highest ranked officers in Upper Michigan. In 1997, he and Koni moved to the family farmstead in Iron Mountain. He was a member of Trinity United Methodist Church in Iron Mountain, the American Legion Post 417 of Watersmeet, the Masonic Lodge of Ewen/Trout Creek, Whitetails Unlimited of Ontonagon County where he was inducted into the Hall of Fame, and a life member of the North American Hunting Club. He was also a member of the Iron Mountain Parkinson's Support Group, bragging that he was the most decorated member, as he had been invited to partner with the Michael J. Fox Foundation. This collaboration resulted in today's successful version of the Deep Brain Stimulation (DBS) surgery. He was an avid outdoorsman and enjoyed hunting and fishing. He also enjoyed trips to the casino and wintering with his wife, Koni, in Bull Shoals, Arkansas for 16 years. Most of all, Terry loved spending time at camp, teaching his grandchildren how to cheat at cards.

Terrance is survived by his wife of 49 years, Koni; children, Alan (Cathy) Lindholm of Gladstone, MI, and Crissy (Todd) Sain of Frisco, TX; a brother, Darrell Lindholm of Iron

Mountain, MI; a brother-in-law Rick Chiochios of Watersmeet, MI, grandchildren, Katie Lindholm, Seth Sain, Zachary (Samantha) Grenier, Zachary Sain, Jonathan Lindholm and a great grandchild on the way and several nephews and cousins and partner in crime, Dwayne Hosking.

In addition to his parents, Terry was also preceded in death by his father and mother-in-law, Samuel and Fern Chiochios and a nephew, Blake Chiochios.

Visitation will be held from 10:00 am to 12:00 noon on Wednesday, July 22, 2020 at the Erickson-Rochon & Nash Funeral Home in Iron Mountain. A memorial service will follow at 12 noon at the funeral home. Rev. Geri Hamlen will officiate. Burial will be in Iron Mountain Cemetery Park.

The Uren-Cooper-Johnson American Legion Post #50 will conduct military graveside honors.

“ Koni and family  
, I was stunned to get the notice with Terry's obituary. My sincere condolences from my wife and me. I'm late with this because I lost my phone and the email notice was among many hidden on the computer. I was the other Sargent from district one and also the other Terry within the district.  
Terry and I never worked in the field together but went to many trainings together. He had a story to tell for any occasion and could be easily tracked down by that deep chuckle he had.  
I was surprised to see you were in Iron Mountain and had only a vague recollection about the Parkinson's. My sincere sympathy to you and your family, not only for your loss but also for the heart-breaking times dealing with the Parkinson's or should I say watching Terry deal with it.  
My wife was diagnosed with Parkinson's a few years ago and we are progressing on that journey to wherever. Not a pleasant journey.

“ Dear Lindholm Family

I wanted to express my very sincere condolences to the entire family upon hearing about the passing of Terry. My name is Michael Franklin, my dad Jack and I spent many great hours hunting white tail deer in Watersmeet with Terry. I know he was one of my dads very best friends. He was such a great and kind person and he will be sadly missed. The last time I saw Terry was at my dads funeral in Wakefield back in 2016. I am sorry that this note is late but I am active duty Coast Guard stationed in Valdez Alaska and didn't get the word until today when I read it in the Wakefield News. I sure will miss Terry but I take comfort in knowing that both he and my dad are off on some great hunting adventure in Heaven. Again please except my sadness and sorry at Terrys passing and I hope that all the family is doing well and staying safe during these stressful times. Terry was truly a great man in so many regards.

Best Regards,

Michael Franklin

“ It is with great sadness that I read of Terry's passing. I happened to bring the Daily Globe to my hunting camp and that is where I read his obituary. I guess It was an appropriate place to mourn my loss of a great person and a great friend. Even though Terry and I saw little of each other in later years, I would run into Rick every now and then and he would give me info on the family.

Terry was a transition conservation officer from old timers like my father-in-law, Ken Grant, to the newer generation that has become more police officer than a conservation officer.

I never met a person who had a bad thing to say about Terry. That is quite remarkable being in law enforcement. He treated people with respect and in return he was given respect.

He was one of the founding fathers of the Ontonagon Chapter of Whitetail's Unlimited. It my duty on behalf of our Whitetails Committee to offer our sincere condolences to your family.

I personally have so many great, happy memories of Terry. He taught me one great lesson that I practice today when balancing my checkbook. He was treasurer of our Whitetails chapter way back when and I was looking over the report. One item was -56 cents, ESP. I asked Terry what that was. Error Some Place he replied. Balances everything all the time.

Peace, Sig Hokens and Mary also

“ I am sorry to learn of the passing of a friend and fellow Conservation Officer. I always enjoyed working with and (after retirement) meeting with Terry. He always had a good story to share. Terry was well respected in the Communities he worked in. People always new that he was fair but firm in his approach to enforcing natural resource laws. Terry will be missed. May God hold his entire family tight in His arms as you grieve Terry's passing. I'm certain his step is now steady and he is walking the woods and streams of Heaven watching over God's creation.  
Best wishes  
Lt. Bruce Gustafson, DNR Law Retired.

“ I only got stopped by a conservation officer once in my life while hunting, and when I did, yup, it was Terry. Was bird hunting on the forestry road north of Bruce Crossing with a fellow railroader, heading home after dark when we came upon an opposing vehicle with the lights on heading our way. As we got closer, the vehicle stopped and the door came open and there he was, waving us down. So we stopped and he checked us out, doing his job. Everything was good, legally, which we were glad of. We chatted for awhile, then resumed our way home. Terry went on in the opposite direction, heading home. Terry was a great officer, and was also a great friend. God Bless you, Terry.

“ I remember how nice he was to our son who was about 8 yrs old when he caught a beaver in his muskrat trap. When he drug it home we told him we had to call Terry as it was illegal at the time. Our son wasn't happy but Terry explained to him why he had to take it. Good lesson anyway. We always thought he was fair.
