“ Darlene and Family-What a well-lived life-Terry certainly experienced all sorts of adventures during his time on earth. My first memory of my Cousin is when he spent some summer months living with our Family in Western Massachusetts. He was a fixture on Mill Street at the O'Connor Homestead forever. We had so many great conversations, over some great wine, from the ordinary to the extraordinary life he and his family led. Miss him----

“ Dear Darlene, Michael and Jason, Et al.

I'm so sorry to hear about Terry's sudden passing. I'm sure you are all in shock and will need time to process your loss. I only hope the wonderful memories you have will lighten your grief.

Terry will be remembered fondly by me as one of the "older" O'Connor cousins. I was always impressed by his many career successes as well as his wide ranging number of interests. A life well lived.

“ Dear Darlene

So very sorry to hear of Terry's passing away. Keeping you and your loved ones in my thoughts & prayers. Memories of the first time Pat & I met Terry with you, at the Celtic Woman concert in Green Bay.. Pat & I enjoyed meeting him then and enjoyed our stay in the Dells in June of 2019. He was one of the nicest men I have met. He was so kind when I brought the raspberry pie over, kept telling me how delicious it looked... then when you told me he didn't care for raspberries, I thought "what a nice guy"! He obviously didn't want to hurt my feelings. I know that you and Terry had a wonderful life together tho' it was too short. You were such a perfect couple.

My deepest sympathy to you and your family. ,

Love & prayers
