“ I met Ms.Ronee for the first time at the nursing facility in Powers, Michigan. Her husband was there and passed within a few months. I was the new pastor at the small Baptist Church on the northside of Iron Mountain. We didn't know anyone and it was obvious we were not from there. Though she was Catholic she would attend our services from time to time. We would eat out with her on occasion too. We moved from Iron Mountain about 7 years ago. She was a friend to us and we won't forget her. Prayers for all of you from Davis, NC

“ Auntie Tootsie was quite a woman and a loving aunt. She always greeted you warmly with a hug smile and a laugh! Never a dull moment around her! She was fun loving and loved to joke around and very quick witted! Quite the "fashionista" too!! I will always remember the Thanksgiving "Bucan Clan" gatherings she held at her house or the Greenleaf Bar. WONDERFUL TIMES and treasured memories of a very special Auntie. I will miss her.
Deepest sympathy to her family. It will not be the same without her.

“ My sincere sympathy to Ronee's family. She was so proud of her children,her nieces and nephews, grandchildren and liked to tell about them.She made you feel like you were a nice person even if you weren't.:)I knew Ronee over the years mainly because she remembered my husband and his brothers who lived near her in grade school. Then I got to know her better at Golden K and singing with the "Golden Throats" at nursing homes. Ronee sang with us about a month ago at Manor Care. I will remember her smiling face from that day. She was a sharp lady and enjoyed life.Jesus has opened the door for her as she enters her eternal home. Keep the happy memories and God comfort all when needed the most.

“ There never was a time that I bumped into Ronee that she didn't have time to chat, always asking about my husband and brother. She had a wonderful way of remembering all who knew her. She will be missed but leaves her family with many memories.

“ My best memory of Ronee was a time when she dined at the Ruth's Chris in Indy: the servers and bartenders still remember her dry but quick wit as she meted out sharp but humorous barbs. Quickly understanding her playful nature ... they returned the favor ... only to have her escalate the exchange. They still ask about her. Miss you Ronee.

“ To Jon, Sue and Julie,

Your mom was such a great woman! I will never forget the great times we had with Ronee and Leon. They were and will forever be Iron Mountain, Kingsford icons! Going to Greenleaf's Bar was a right of passage growing up! Ronee was such a wonderfully funny, caring person. She will be missed. Our thoughts and prayers are with you at this difficult time.
