“ We used to have so much fun talking on the phone during the CMA Awards. We would talk and then hang up, but call each other right back when another singer came on. This would go on for the entire night and we would sing and laugh. I used to go over to her house with the kids when their house was in town here and we would just laugh and talk. So I will miss those times and miss you much Aunt Ada, but I know you are having a blast with Grandma and everyone else we are missing.
