“ Your Father was an amazing individual and neighbor. We, as a young couple could not have been more blessed by having him in our lives. I told my youngest daughter that Pusty had passed, and that he was 98...she didn't miss a beat and replied, "Oh no, what did he die of?" He had an amazingly long and well lived life! Please keep in touch and know you are all in our prayers~ Kim and Kevin Massicotte

“ Hi Wayne and all,

*I was saddened to see the passing of your Dad the other day. I know he had many problems but it is still sad to have a family member missing. He was always a pleasant,patient man to care for in the hospital. I know you have many good and happy memories of him as he was a good father to you and your brother. I will always remember the trip we took to A2 for orientation those many years ago. You all are in my thoughts and prayers during these days.

“ Wayne, Suzie and Jim,
So sorry to hear about Adolph's passing. He will always be remembered as one of the stalwarts on Cass Avenue and the Ford Addition. We are all family, in a sense. Adolph was a guy who made you smile or laugh when either you see him, hear of him, or think of him. There could be no greater compliment. He lived a long life so we can all smile and be glad we were able to know him.

We were so sad to hear of your father's passing. He was one of a kind. We will miss his sense of humor especially teasing us about our Buckeyes! He was a remarkable man, one who kept his smile even when that was hard to do. You are in our thoughts, jim and Mary Ann

“ Jim,

One thing you can appreciate is the long life your father had. Making it into your 90's is wonderful. I am sure your father will be missed by all and especially by you. I keep all my dad's memories close to me as I am sure you will do as well. I also send you a hug, because you can never get enough of them at a time like this.
