“ *Grandma Aggie, you will be greatly missed by a lot of people. You were a hip grandma who loved her family. It was a pleasure to see you when Paul and I were visiting Jim and Shellie up north. I loved seeing you interact with their kids when they were young. I never had a grandma growing up, so it was special to see the bond you all had. I know they will all hold a special place in their hearts for you. God bless you all.*
