“ Hi Maj - I'm so sorry about your mom. She was such a sweet little thing. I know it must be like losing your best friend. Keep yourself busy with the grandkids and drop me a line when you can. I'd be glad to help you in anyway if you have any packing to do here, or whatever. I would love it if you gave me your address in Appleton (I can't believe you live there!) I always wanted to get together but our lives fly by -I was always busy with the kids. Today, a man has my van and is fixing the windshield washer pump. I wanted to come down and give my condolences in person but can't get there - know that I'm thinking of you all - I really miss you! paulie
