“ *The Walshes want to to send our most heart-felt sympathy to all of you. We have so many happy memories of Alex...from Jordan running out of the house (late of course) for Alex to give her a ride to school, to the Walshes vs. the Marines (Alex and Anthony) airsoft battles in the yard. It was such a blessing to have Alex and Lauren at Jordan and Anthony's wedding. Alex touched so many lives in his quiet way; he will truly be missed.*

“ Words can not explain how we are all feeling in this time of profound loss. Our thoughts and prayers are with both Lauren’s and the Twardowski families. Alex was a special part of our family as well, great friend to Kevin since the first day of kindergarten, a second brother to Heather, and an absolute joy to be around. There are too many memories to even begin to share. Alex will be missed but never forgotten, we love ya kid !

“ As we journey through our lives, we encounter special people. And you know they are special from the very first time you meet them. Alex is one of those special people. Kind, caring, trustworthy, and someone who was always willing to help when needed. We saw many occurrences of his kindness and true friendship which created lasting memories for us. His influence made all of us better people and for that we are eternally grateful. He is with us always. Our sincere condolences to his entire family, we are praying for all of you.
