“ Dear Connie and Family,

I work in the kitchen at Evergreen, and I can't begin to tell you what a joy it was to see Alice every day! All her cute stories, her singing (especially here comes the bride..well, her version anyways, haha), her love of bacon and coffee..I could go on and on. She never failed to make me smile each and every day in some way. We truly loved to spoil her!! I walk into the dining room every day hoping to see her smiling face again and to see her raise her cup and and say "you make good coffee and treat us so well..thank you". Alice is and will be forever in my heart, thank you all for sharing her with us! God Bless

“ Sorry to hear of Alice's passing. She was a good friend to my Aunt Micky and I visited with her and the family many many times. We used to get hand-me-down clothes from Colleen. We even went to Paul Bunyan with Colleen when I was a little girl. I lost track of all of you when Aunt Micky moved to the cities and then back up to Aitkin. My thoughts and prayers are with all of you.

“ Alice was such a joy to be around when I worked at Evergreen Assisted Living. She was always cracking jokes and making people laugh. I will always remember her stroll down the long hallway back to her room after breakfast as she sang "Walzing down the avenue". She was also one of the sharpest-looking people residing at Evergreen, as we felt like we were always complimenting her on how nice she looked. When I go back to visit, I always stop in her room to say hi. She was such a sweet lady, and will certainly be missed!
