“ Michael liked playing with you, Titan, Boyd, and Kitty Kitty and we know that you will still be playing with them. Also, trying to take his cheetos :) He will miss arguing with you like brother and sister and he knows you liked doing that too. He will miss you and loves you very much. Thank you for watching over him. You were a strong little bugger, trying to beat me up :) I am really glad we got to build the good relationship that we have and we got to be so close. We love and miss you so much.

“ Hey, Kiddo, I will never forget you, and hope Charlotte will grow up to be like you... tough. You were always there to remind me to keep my cool, and just roll with the punches, just the way you could. For the past nine years I have not been able to eat mac 'n' cheese without thinking of you, and I know you will be right here eating it with me every time I eat it in the future! I am so glad that God sent you to be in my life as my friend! Love you so much.

“ Amy, I thank God for everything. I thank God for Matt and Jaimie bonding. This gave me the pleasure of knowing you. The times we shared and the chit chat we had was a lot of fun. You are sweet and funny... "oh oh, he's got a hammer! he is going to fix something", told me a lot about you. Remember? LOL That was sure sweet and funny. I will miss you and like big brother says, we will meet again. Now you can help God watch over us all. I love you and here is a hug.
