“ *I remember a time when I was younger, camping with the Berlinskis'at Jellystone. Us kids would go off on scavenger hunts, make crafts, and decorate ourselves with cray paper for the big parade--LOL. The adults would hang out at the campsight playing cards and enjoying one-another's company. I also remember my mom and dad going to the Annual Berlinski Halloween Party. They sure had a great time at those parties! Those memories with the Berlinski Family will never be forgotten.*

*My sincere condolences go out to all of you! I know how hard it is to lose someone you love so much! My prayers are with you.*

“ My sympanthy to Susan and Andy's children. It was so sad to hear of Andy's passing. He was such a big part of my growing up and high school years. Andy will be missed. At our last class reunion he looked so well and said he was feeling better. I know Andy's health has been a stuggle for him over the years. May God grant him the peace he so richly deserved. Please extend my sympathy and a big hug to Andy's mom. It is so hard to loose a child. I remember spending a Bithday with Andy's family. Everyone took a candle off the cake, one at a time and made a wish out loud for the birthday person....then relit the candle and placed it back on the cake for the birthday person to make a wish. I was so impressed and thought that was such a wonderful family tradition.....I haven't thought about that for a long time but it really made quite an impression on me. Andy and his entire family will be in my thoughts and prayers. May God grant all of you the grace to deal with your loss. Much aloha,
