Gary and Ginger

You have my greatest sympathies. I know my words alone cannot heal you, but I wanted you both to know how sorry I am for your loss.

“ Gary and Ginger,
I worked last night and haven't had much sleep yet so I may not get down to the funeral home tonight. Just wanted to let you know how very sad I fell about your loss. I know how much you both were looking forward to having her in your lives. You have my deepest sympathy.
