“ Earth has no sorrow that heaven can not heal

There is love and strength in family

“Death leaves a heartache no one can heal, love leaves a memory no one can steal.”

It's not the years in your life that count. It's the life in your years.

There is only one happiness in life -- to love and to be loved.

“Heaven is a place nearby”

Where there is love there is life.

No three words have greater power than I Love You.

To live in hearts we leave behind is not to die

Let the memories survive

“Those we love don't go away, they live in our hearts every day.”

The soul is eternal - love is immortal.

Like a rainbow, gone too soon, but never forgotten.
