Dear Susy and family, I was so saddened to hear of Tony's passing. I have such wonderful memories of the times I spent with you both, years ago...just being around him made you feel good. I remember the piece of paper he always carried with punch lines to his wonderful jokes. God take care of you. Hope I'll see you some day soon. Corrine Wickman Thomson

“ *Susy, Marcus, Mike and Kathy*
Our condolences on the loss of Tony. Our family is hurting with you. I always looked up to my older cousin Tony with great respect and pride. He always treated me fairly and would listen to some of the stupid things I did as a young buck. Loved working with him at the shop too. Will always cherish the memories of him at our family gathers with Aunt Helen.
Susy, I will always remember the "Chooper" motor cycle you and Tony would ride on.
