“ Tracy and Tracy, I have no words to express how saddened i was to hear of the passing of Tony. I just saw him shopping with his Mom and as usual he had that infectious smile, and said "hello" to all of us. Every time he came into the store he made it a point to acknowledge all he new there. He was a very sweet, kind, polite, friendly, compassionate young man. You should be very proud of Tony. RIP Tony, Fly High with the Angels Cheryl Tramontin

“ I will never forget how loving, devoted and patient Tony always was with his cousins Aidan and Branson He took on the role of the “older, wiser” cousin at a young age. I always knew he would do anything for them. And he always made me feel like the most important person in the room when I saw him. I think he made everyone feel that way. He will always hold a very special place in my heart❤️
