“ *Joan and Jeanne,*

Our thoughts are with you both during these difficult times.

I will always remember my big adventures, with Breanda and Kevin, walking down the street from Grandma Dennis' house to visit you and your mom. There were always lots of kids, lots of food and lots of chaos.

“ *Dear Joan and Jeanne. We have such wonderful memories of your mom. She was a special lady and we remember being around your dining room table eating all her delicious food. My mom and dad were always invited and they too loved being there. We will all miss her. Know you are in our hearts at this most difficult time. Love you Uncle Herb and Aunt Helene*
