“ Julia: Sympathies to you and your family. I got to know your Mom when she and my Mom were at Evergreen. She was such a nice lady. I always enjoyed talking to her. I also learned that you are cousins with Donna Spanton. Donna and I went to school together. We were also neighbors on Detroit Ave. I'm sure your Mom is smiling down on you now, too.

“ My sister Arleen’s kindness and generosity were boundless and never ending. As for her foster children, she loved each of them as if they were her own. And her own children emulated her in caring about the foster girls and boys as if they were family too. I know that Arleen continued to help advocate for the few who needed help after they were young adults, even finding housing and more for one who had no resources. She gave so much of her life to help others as well as her own family. I am grateful to God for her presence in my life!

“ I’ll never forget the times my Mom and “Auntie” Arlene would get together for a swim at Bat Lake. Or the time she told my Mom that Gary came home as a child after spending a day at our house and told Auntie Arlene, “ Virginia is such a good cook!” Auntie Arlene asked Gary, “what did you have?” Gary replied...”hot dogs!” Arlene laughed...as we ALL should. What’s every kids favorite meal? Arlene a kind, loving soul. Will miss you Auntie ❤️
