“ Aunt Arlene was a fun, energetic and loving Aunt. She would never miss the opportunity to tell the story of taking me on an eight hour shopping excursion when I was 9 (and only purchasing a collectible spoon). She whipped me in arm wrestling for longer than I like to admit and we always enjoyed visiting with her. My kids loved her energy as well and were drawn to her charismatic personality. I will hold on to all the great times we shared from dancing to singing Karaoke. We love you Aunt Arlene.

“ Arlene always insisted that I have coffee, cake, ice cream, biscottis, or something sweet(if I couldn't stay for dinner. She loved to laugh and joke. I always went to visit her, when I was close. When I was little she lived to kiss me and make me blush. I love her dearly, and will miss her greatly. My condolences to the family, and especially her daughters, whom I haven't seen since they were little girls. Hi, from cousin, Daniel Garcia, of San Antonio Texas. God bless.
