“ I grew up 2 houses from the Kammerer family in Valley City during the 50's. I just wanted to send my sympathy to Arlene's children and to the Kammerer family. I saw the obituary notice in the Valley City Times Record.

“ Steve, Donna, Marie, Eugene, David and Amy, You have our deepest sympathy during this trying time of your lives. We will keep the entire family in our thoughts and prayers. After losing my own Mother 3 weeks ago, I found it very hard knowing there were no more phone calls, visits, laughter, or even hugging her. What has eased my mind is knowing she is with my Dad and her family. She no longer suffers and is in a better place. Your Mother truly loved each and every one of you. Hang on to the fond memories you have of your Mother, for no one can ever take that from you. May she rest in peace, AMEN.

“ We have fond memories of Arlene driving bus to all of our ND sporting events. She always smiled when we sang to her from the song "Come on Arlene"...whenever we headed out - even though she heard it every trip she kept smiling! Our thoughts and prayers are with you all.

“ I'll miss my grandma for so many reasons. In recent years, she's passed on her gifts of gardening and being a good mother. I keep picturing the way she could use the tip of her fingers against my baby's faces to help soothe them. When we start to snap beans this year, I'll be thinking about her. I'm so thankful that we were able to share so many special moments together.

“ Army Joe...and entire Dennocenzo family...please accept my sympathies at this tough time.

I have so many fond memories of "arlenie' and times at both the farm and your house(s) by the school...fun memories!

There are so many fun memories when she drove our "voc" bus too! I'll never forget her laughing when we could call out to her..."Arlenie..what's for lunch'...and she would flip the visor down and recite the school menu for the day! Greattttt lady! she will be missed.

God Bless you all. Love Mary

“ Amy and family,
I am so sorry to hear about your Mom. Know that I am thinking and praying for you all. I know that Arlene is in heaven and at peace, it's always those left behind that makes this so hard. I echo Mary's comments on the fond memories. I didn't know you when you lived on the farm, but remember many happy times at your house near school. She will be missed by many. Take Care... Kathie
