“ I’ve struggled with Parkinson’s for years, and medications only brought short-term relief. Out of hope and hesitation, I tried an herbal treatment from NaturePath Herbal Clinic. By the fourth month, my tremors eased, stiffness lessened, and balance improved. It wasn’t overnight, but the progress was real and life changing. I now sleep better, move more freely, and feel like myself again. If you’re considering natural options, I highly recommend giving them a try. I’m truly grateful I did. www.naturepathherbalclinic.com

“ Dear Czerwan family,
We are very sorry for your loss.

Nathan, I know how much you admired and loved your father. It was because of him that made YOU the great father that you are. By the way, I STILL don’t believe there were frogs hopping across the road that rainy night!

Love,
Kishore Mahadev & Family

“ Dear Joyce, Nate, Chad, and families. We've known your Dad for quite a while now, lucky for us. When I think of him I remember one summer we went camping at Carney Lake, this was before Jake and Lauren. You and Kris packed EVERYTHING down to a science....Something was desperately needed for pancakes. Yes, the SPATULA! Engineer Nate cut off coffee can lid and used that, without even a scratch on him. Your parents had us cracking up. He will be sadly missed. If you need anything please don't hesitate to call. We love you.

Our deepest sympathies,
Brian and Kathy Henes

“ We shall always remember all the kidding and fun we had at family gatherings. Super Bowl parties, great meals, game nights, and much laughter.

Armond loved kettle corn and beer.

Our friendship began at the VA as a fellow employee and we enjoyed his great sense of humor.

The Caribbean Cruise together will always be remembered.

Armond's woodshop and wood working projects were awesome.

Most importantly we will always remember his great wonderful faith in God.

Love always,

“Joyce, Nathan and Chad, I am so grateful that I had the opportunity to know Armond for so many years. We've solved so many world problems over the years with late night card games at "Camp State of Mind". I'll never forget his famous comment at picture time when he was asked to smile..."I am smiling dammit". We will all surely miss him but know he is in a better place. Tony Klenow

“To Armond's family. You have my most sincere sympathy in your loss. I had the pleasure of working at the VA when Armond was there. I met him on my 2nd day there and was happy to say that I had met a friend for life. He was the most caring and pleasant person to know. He had some frustration's with his job, but he made sure that the Veteran's and their Family's were well taken care of before he left the building at night. Thank You for allowing him to be shared with the VA STAFF and the Vets that he cared very much for.

“ We heard of Armond's illness only a few weeks ago. I have so many fond memories of him--especially when we both worked night shift in the ICU. I know he will be missed by many people.
