“ I have know this very wonderful man all of my life. He was the type of person who would go out of his way to help anyone who was in need of help. He would sit and talk to you for hours about anything you wanted him to. He was the best Grandfather anyone could ever ask for. We will never forget you. You will always be in my heart.

*I love you Grandpa,
Candice*

“ I only knew Art for a very short time, compared to the span of his years. I found him to be a very inspiring human being. Anyone who has had a life as full as his is someone to be admired. He was the matriarch of an amazing family and will always be remembered as such.
