“ My heart goes out to Audrey's entire family. I have only known Audrey for the past 3 years - seeing her as she came in and out of the hospital and lastly at Manor Care. As I get to hear stories about her, I see that it makes sense. She was tough - and didn't complain. When I would see her in the hospital she would smile, shake her head and say - I'm back! I joked with Audrey that I may have gotten more out of our visits than she did, I always felt good after our times together. God Bless.

“ To the Williams family: I was saddened to hear about Audrey's passing. She was a great woman who always had a funny story to tell... most of which were about the antics of her kids. She will be missed.

“ To the entire Williams Family:
I would like to express my sincere condolences to the loss of Audrey. When I was a kid, I loved spending the summers at the family home in the 25 location. Your family was my family. We even called ourselves cousins. And your mother was the tie the binded everything together. I still do not know how she did it. It is hard to believe Miles has been gone 29 years now, but they will finally be united. Audrey was a wonderful person and friend! Her life should be celebrated.
Sincerely,
