“ You are going to be three here on the 14th, it seems just like yesterday that you where taken too soon from us. your sisters talk about you all the time and your mother and I always wonder what you are doing in heaven. Grandma is there with you now with aunt Nicole and it must be so wonderful I am sure grandma has yet to let go of you since she has gotten their. I just want you to know daddy loves you as much today as I did when I first found out you where coming. I hope your birthday is filled with all wonderful things! I love you baby.
