“ *Jeff and family--Barb and I go back a long way-- both from the Northside. I especially remember the time were on a retreat at Marygrove when they made us eat hot tuna noodle casserole with crushed potato chips on top--we laughed about that for a long time. It is so ironic that I just received a sympathy card from you both for my dad that passed away on March 6,2010--so caring even though she was hurting herself.*

Our sincere sympathy and friendship at this very difficult time dave and patti mckee ng herself. Our sincere sympathy

“ Dear Family
I am in Florida but wanted to tell you how sad I am to hear about her death. I just loved her. She made me laugh. I told her all about my recent illness not knowing that she would soon be ill. Her positive attitude was commendable. I know she loved the snowmen I painted her.
Sincerely, Norma Deyaert

We are in Loganville, Georgia and just learned of the loss of Barb. She is going to be greatly missed by everyone who she ever touched even in the minutest way. Even tho she had her share of hurt and problems going on she could always find the strength to make you feel better and most of the time manage a laugh. You have our deepest condolences and we will keep you in our thoughts and prayers.

“ Jeff and son - We are so sorry to hear of Barb's illness and passing. Will never forget last year's golf tournament when she said "I had Jeffy wear his orange shirt so I can find him in the woods". The story has been repeated many times and made many people laugh. She will always be remembered for her smile and laughter. You are in our prayers

“ I can't explain the shock we felt when Carla told us about Barb. The first thing I thought of was how Barb was always so full of energy and made everthing so much more fun. I couldn't imagine her sick. Our hearts go out to your family and the tremendous loss that Barb has left. She was a wonderful person and will be dearly missed.

“ Although I only met Barb a few times, she lit up the room each time I saw her. She was an inspiration for other business owners in downtown Iron Mountain and a team player in our revitalization efforts. She was dedicated to making her community a better place to live, and for that I am forever grateful. Your smile and positive attitude will remain in my heart forever Barb. God Bless!

“ Jeff and Jeff, I am so sorry to hear about "Uncle Barb". I was stunned when I received the news. Barb was always so good to both myself and Christian. He, too, can't believe she's gone. She was truly a "hockey auntie" none of us will ever forget. We had so much fun downstate! I will miss her great sense of humor, her presence at ski jumps and our "hockey mom" get togethers. She always put a smile on everyone's face. You and Jeff are in our prayers.

“ I am deeply saddened to hear of Barbs passing. She was like a mother to me. Each month, I would meet her in her adorable nail boutique for one of her AMAZING pedicures. We had the BEST talks and she would remember everything like we had just left off the day before. She lived for her close friends from school, they were like sisters to her. She was all about her family and she talked often of mine and how her and my mother grew up on the "Northside" Barb always treated me like her own family, always that warm Italian hospitality. She was so proud of her heritage. She always had a smile, that laugh..wont forget her laugh and never complained. When I last saw her I would never imagined it would be the last time, we hugged, said our "love you's" and happy holidays-she even gave me a gift, that was her, always thinking of everyone else. I sure hope she is in heaven getting the pampering she deserved. Barb was such a wonderful woman and my life is so much better because I knew her.

“ Although we haven't known Barb very long, we have been privileged and honored to have been touched by her presence in our lives. I have described her to people as this "little feisty Italian." Barb had a great expression with which she would build someone up - she would say, "You're the best." She had a good sense of humor, even under the most trying of circumstances. I smile at the association of her and leopard print. Our lives will forever be for the better for having known Barb. Big things truly do come in little packages. Our sympathies and prayers to all of Barb's family and friends.
