“ *I am very sad to hear that Barbara has passed. I was in her graduating class of 1952 from high school. Barbara was bright, enthusiastic, fun to be with, and an all-around great person. She was always smiling and bringing happiness into the lives of everyone around her. I have not been to Iron Mountain since 1977, our 25th high school reunion, but I still remember Barbara very well as if it was almost yesterday. Seeing her photo brings me many memories. My condolences to the family. Janice Johnson Bower*
