“ Our deepest sympathy to Rick, Sara, Erica, Christian and all the other beautiful grandchildren. Barb was a woman with a big heart and enormous determination. She always looked to see what she could do for others and if she said she would do it, it got done. She took me under her wing when I was a new mother and helped show me how to care for my newborn son (now 22) while Sara and Erica watched and offered encouragement. I have many happy memories of spanferkel at the house in New Berlin, visiting Sara when Christian was born, and long talks with Barb about everything under the sun. We were so sorry when she moved to Spread Eagle but she loved her home there with the land and woods and animals. She will be deeply missed.

“ My deepest and sincerest sympathies to all of you Rick, Sara, Erica and the grandchildren. Barb was the most giving, big hearted, generous, caring person I ever met. She took care of her Mother in law lila with such grace and handled all of the details of her move to the nursing home in Florence, her care and her eventual arrangements upon her passing. Barbara will be greatly missed. I enjoyed my visits with her, she was a great conversationalist and had such a love of the outdoors. I admired her zest for life, her honesty and frankness and her genuine care of others.

My thoughts and prayers go to Rick and the family on the loss of Barbara. I only knew her for what seems like a brief time but she impressed me as a very caring wife, mother and grandmother who will be missed and whose memory will be long cherished by her friends and family.
