“ Hi Mom:
I miss you so very much already. It is hard to believe that you are actually gone from this earth. I will miss our daily phone calls and our two-a-day phone calls on the weekends and all the time i got to spend with you these last six months. I will look to the good lord for the strength that i need to get through this. I will always remember the special mother-daughter relationship we had. I know that you are in a better place with all of our dearly departed. I know that you are close to me and i am able to talk with you anytime. Love and miss you so much but i know you are ok now. I will be talking to you probably even more. Love and miss you Mom. May you be forever with me.
Love you Chrissy

“ How I'll always remember that devilish sparkle in your eyes and that huge smile on your face. We would have such fun when you and Auntie Al would come to visit me in my bridal shop with the "boys " in tow. You both would be dressed "to the nines" always finished off with your favorite jewelry. We would laugh and carry on looking at all the dresses as long as the boys could tolerate. You are such an important part of so many precious family memories! I'm thankful you are at peace now. Love and hugs until we are together again...

“ I am trying to keep a smile on my face. I know that is what you would want. I know that you are at peace and with grandpa now. I miss you so very much already! I am so happy that I was able to spend the day with you just before you left us. You looked so beautiful that day. Your hair was done and make-up on, and you had your jewelry on. I remember trying to get your necklaces off before getting you into bed. You had a good day and enjoyed the party.

All My Love:
Tammy
