“ *As a childhood friend of her daughter- (Loni) I have too many wonderful memories of good ol' Bernie! She ALWAYS had something wonderful made for dinner and I would ALWAYS ask if I could eat over!!! It was always OK with Bernie as she truly had a heart of gold. She had such an infectious laugh that you could hear from blocks away. She was always put together (the lady had style) and loved her kids more than life itself. I know she is no longer in pain here on earth and is now an angel looking down on us. My deepest condolences to her family that love her so much. Amy Ambrosia-Van Oss*
