“ I met Dino at Walmart when I started working there we both were working in the meat department. We started taking our breaks together and when I got put in the deli we still spent breaks together. She always talked about her kids. I'm so sorry for the loss of your mother and grandmother. She was a wonderful woman to know she will be missed.

“ I will miss you so much Dino. I have so many great memories...you were always there for me if I needed a ride, took my boys to kids activities with your grandkids, sat and listened to music or hanging out together laughing and having drinks on the 4th of July. My life was blessed by having you in it. I'm so sorry Wes, Nick, Misty, Siah, KDen, Robin, Keira and family.
