“ *Irene & I would like to offer our sympathy to Dot, Mark, Mike, Mary
and family at this trying time. I think back to when Buna was the
engineer for radio station WJPD, then came to work for my father as
an electrician. When I got into the trade I worked for Buna on
projects in the MARquette area. A few years after Buna transferred
to the Iron Mountain office, I was transfered there also and we
worked together on many projects until his retirement. We will keep
you and your family in our thoughts and prayers.*
