“ I see this picture of your Mother and I see our Aunt Jane Gustafson. She often told me how many times she was mis-taken for her! I send sympathy and Blessings to you Girls on the passing of your Mother. May you hold onto the precious memories you have of your family and let those memories heal you all. I was so sorry to hear from Penny yesterday of her passing. Had I known, I would have been there for her Memorial Service.

“ *My husband, Brian and I LOVED to take our dog, her "Grand Dog", Duece to visit her at her home in the summer time. She would feed him treats of crackers and we would sit outside on her patio. She would tell us stories of her life and she was just a wonderful lady to talk to. She will be greatly missed. Our loving thoughts and prayers are with all of her loved ones.*
