“ Dear Vance:
Our sympathy to you and the family. We have such good memories of times spent with both Betty and you, Vance. I (Ruth) still have a recipe of Betty's that she gave me years ago. Jim remembers well the Cursillo and small group meetings afterward. May God comfort you in your time of loss. Betty was such a pretty lady and loved by so many.

“ To Vance and family,
It was wonderful to find you again after so many years. Just spending the afternoon with Betty was so wonderful and brought back so many great memories of first living in Iron Mountain and getting to know you and the Freemans. Betty was a strong lady and was always there for everyone. Her memory will live on in all our hearts. God Bless You, Siri

“ Mom,
I will miss you always, but you are also in my heart and mind for the rest of my life. Granted, I wasn't the greatest daughter when I was younger, but now that I'm grown, I could not have asked for a better Mom.

One of my most favorite memories is when you took me for a ride on our motorcycle in Quinnebec. It ended with great laughter, and it something I always think about when riding my own motorcycle. I will always cherish the times we had throughout our time together.

Your loving daughter,

Julie
