“ I will miss her smile and the way she talked. It is a significant memory. It was such a blessing to have an aunt and uncle Blair to look up to and be the examples they were. I appreciate being a part of this family. The family that is carrying on is amazing. It was so much fun to have a cousin the same age as me, Steve. You all have wonderful families and great gifts to share from your parents. Thank-you for being friends to me.
Love to you all and good-bye to Auntie Bev.

“ My grandmother was a wonderful and feisty woman. I am so glad to have had her in my life. She was always there for me when I needed her. She is with my grandfather, who she missed so much. I am glad they are reunited. I just hope they don't get into too much trouble. :-D I'll miss you both, but I know you will be with us all in spirit. I have so many wonderful times to pass on to my children someday.

“ To: Members of the Davidson Families:

I first learned about the death of Beverly when I received a phone call from an Iron Mountain friend. My wife, Helen, and I wish to express our condolences for her loss. As a long- time friend and neighbors of Mr. and Mrs. James Davidson who resided on Crest Street in Kingsford, our families always enjoyed spending time with the Davidson group, especially the summer Sundays as this day was for God, church and picnics. The family of Blair, Delores, Joyce, and Clayton enjoyed fishing, swimming, and eating at various parks. Blair met this beautiful lady from either Sagola or Channing and Beverly became part of the combined group. If my memory serves me correctly, Bev always had a good sense of humor and good comments about her friends, neighbors, and willing to make statements about current events. When she entered a room, her face would sparkle and her comments were well received. She will be missed.

As I review the past, I am so thankful that the Davidson family has accepted my wife and me for their family events. Beverly was part of this great family and she was so appreciated by all. Helen and I extend to her remaining family to continue living in the ways that their mother would suggest.

With the deepest respect and sorrow,

“ *I have wonderful memories of summer vacations and the laughter and love shared between the Cambray family. I remember Aunt Bev's gentle teasing and love. I wonder if Mom and Dad and Uncle Blair will play cards in heaven?!*
