“ Tina and Rick,

We were sad to read of your mother's passing. She was a great neighbor to us for many years. We have a special connection in that your family home is now part of our house. We still say we are going down "Peterson's basement" when using that part of our house for storage. Tina, it has been many years since we have seen you and we hope life is treating you well.

*All our best,
Mark and Wendy*
