“ *My deepest condolences to all of Bev's family, I'm so sorry to hear of her passing! I worked with her for many years at Super Valu, and had kept in touch with her for many years, only losing contact with her in recent year. I often wondered where she had gone. She was a true delight and a wonderful friend, not only to myself but to my children as well...they affectionately called her "little Beverly" She lovingly called me "squirrel" Rest in peace dear friend...I'll watch for your sparkle amongst the stars ✨*
